### Also Featuring:

80+ presenters and 35 panels over 3 exciting days

This conference will explore the relationship between mothering, motherhood, and education, examining the countless ways in which women have been affected by, view, and/or challenge existing educational ideologies and policies and/or develop new theories, practices, identities, and meanings from the multiple locations of teacher, learner, and mother/othermother/surrogate mother.

**3- day conference rates: \$100 for regular attendees or \$50 for students**

**1-day conference rates: \$50 for regular attendees or \$25 for students.**
